Tolo is a restaurant by Ron Yan, a Chinese chef that has spent the past decade working in NYC's culinary scene.

Tolo's menu features a range of dishes from raw seafood to noodles and Typhoon Shelter style chicken, and the wide-ranging wine list with over 300 selections is curated by Parcelle. It spotlights natural producers as well as a deep bench of traditional collectibles.

Tolo was named one of the best new restaurant openings of 2023 by the Financial Times and was selected as one of the Best New Restaurants in America by Esquire.

"The food commands your attention."
- Infatuation New York

The wine program has received praise from Eater New York as well as recognition from Star Wine List. Most recently, Tolo received a Bib Gourmand from the 2025 Michelin Guide for New York.
